Vs.

Management of Bawa Timber P. Ltd., Canal Road, Jammu.

Management.

Date of announcement: 15-3-1978

Award

This application under section 33-C (2) of the I D. Act has been presented by three petitioners namely Bhagwan Das, Munshi Lachman Das and Dulo Ram against the management of Bawa Timber P. Ltd., Canal Road Jammu. In this petition the petitioners have claimed various amounts which according to them are due from the respondent and require to be paid to them. It is alleged that their services hav been terminated by the management without notice and without any cause and consequent upon this termination of service the amounts specified in the schedule attached to the petition have become due to them. According to these schedules an amount of Rs. 7950 is claimed by Bhagwan Dass whereas Munshi Lachman Das claims Rs. 3300 and Dulo Ram claims Rs. 6780.

The management was served in accordance with law but they failed to appear, despite summons having been sent by registered post. Finally my learned predecessor vide his order dated 16-11-76 directed that the respondent be served through publication of notice in the local newspaper Such publication was affected in the daily newspaper "Quami Awaz" Jammu dated 20-11-1976. Despite this publication in the said newspaper the respondent failed to appear and as such ex-parte proceedings were taken up against them vide order of my learned predecessor dated 16-12-76. The petitioners produced evidence in ex parte and examined Ram

Saran Jagdish Dutt besides all the three petitioners examined themselves as their own witnesses.

Ram Saran has stated that the petitioners were in the employment of the respondent for more than 12 years. This witness was a timber carriage contractor and knows the details about the petitioners working with the respondent. According to his statement the respondent were previously known as Spedding Dinga Singh and Co. This new name of the respondent took place in 1964 and the services of the petitioners remained unchanged. The petitioners continued in their service up to 1973 when Mr. Rishi Managing Director of the respondent wound up the concern at Jammu and went to Delhi due to heavy liabilities of the Government and public. Similar is the statement of Jagdish Dutt and the petitioners.

From this evidence on file it is established that the petitioners were in the employment of the respondent up to 1973. Although the date of their actual employment is not mentioned in the petition, yet the evidence proves that they were in the respondent's employment for more than 12 years. It is also established in ex-parte that the services of the petitioners were terminated without notice in the year 1973. The cause of the termination as disclosed from the statements is that the concern of the respondent went into heavy liabilities and losses. Under section 25FFF the petitioners are entitled to notice and compensation in accordance with the provisions of section 25 F. Although the workmen are out of their jobs due to the closing down of the undertaking by the respondent yet they shall have to be treated as if they were retrenched. Explanation to the said section 25FFF provides that an undertaking which has been closed down by reason nearly of financial difficulties including financial losses shall not be deemed to be closed down on account of unavoidable circumstances beyond the control of the employer and in this view the respondents are not entitled to any concession under the proviso to section 25FFF and they shall have to pay full compensation to the petitioners in accordance with the procedure laid down in section 25F. Thus the petitioners are respectively entitled to the amounts specified below :—

1. Bhagwan Dass:

(i)	Retrenchment compensation for services rendered from 1-4-64 to November, 73 =5 months pay @ Rs. 350 P. M.	Rs. 1750.00
(ii)	Gratuity do.	Rs. 1750.00
(iii)	8 months undisbursed pay.	Rs. 2800.00
(iv)	Bonus for 3 years till November, 73 i, e. 70-71, 71-72 and 72-73 @ one month's pay per year.	Rs. 1300.00

Acquisition Act issued vide this office No. 2266-70/SDMR/77 dated 22-2-1977 for an area of 1 Kanal comprised in Khasra No. 741 of village Gunadalkote, Tehsil Ramban, is cancelled as the indenting department namely Tower Transmission Division No. II, Jammu does not require it any more.
